

## Data Sheet

# RABBIT IgG

## ANTIBODY, POLYCLONAL

|                            |  |
|----------------------------|--|
| <b>Catalog no.:</b>        | G 4004   |
| <b>Immunogen:</b>          | Purified rabbit IgG                              |
| <b>Host:</b>               | Donkey   |
| <b>Matrix:</b>             | Serum  |
| <b>Specificity:</b>        | The antibody reacts specifically with rabbit IgG |
| <b>Contents:</b>           | 10 ml  |
| <b>Known applications:</b> | RIA (second antibody, 1:50)                      |

This antibody has not been tested for use in all applications. This does not necessarily exclude its use for non-tested procedures. The stated dilutions are recommendations only. We suggest that the applicant titrates the antibody in his/her system using appropriate negative/positive controls.

**Store at:** - 20 °C

Repeated thawing and freezing must be avoided
